

55%

of people feel they could not keep in touch with friends and family without their phone.

Graduation Gifts to Keep Students Protected and Connected

Beats Solo 3 Wireless Headphones

Optimal for drowning out distractions with study jams, these headphones are a student must-have.

Phone cases

Students can sport their favorite characters or teams with cases that will keep their phones protected so there is never an excuse to miss mom's call.

Apple Watch

Students can instantly reply to messages from their wrist and track health so "Freshman 15" doesn't become a reality.

Phone Chargers

From the library to the football game, parents can have the peace-of-mind that devices are charged.
