Device Setup

Install the SIM card and optional memory card

1. Use the tool that came with your device to open the SIM/microSD™ card tray.

2. Carefully place the SIM card into the tray with the carrier logo facing upward.

3. Carefully place the memory card into the tray with the gold contact facing downward and push the tray into the slot.

Note: microSD card sold separately.
Charge the Device

Before turning on your phone, charge it fully.

Your phone comes with an Adaptive Fast Charging charger and a USB cable. Plug the smaller end of the cable into the USB/charger port on your phone and the larger end into the charger. Then plug the charger into an electrical outlet to charge the phone.

Note: Please use only Samsung-approved charging devices. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.
Turn the Device On and Off

- To turn ON, press and hold the **Power/Lock** key.
- To turn OFF, press and hold **Power/Lock** key and follow the prompts.

Lock and Unlock the Screen

Use your device’s screen lock features to secure your device.

- To Lock, press the **Power/Lock** key.
- To Unlock, press the **Power/Lock** key then swipe your finger across the screen.

Configure Your Device

When you first turn on your device, you need to set up a few things.

1. Select a language and tap **START** or tap **ACCESSIBILITY**.
2. Follow the prompts to complete the setup process.
Using your S Pen

The S Pen™ lets you write and draw directly into emails or the calendar, as well as Word, Excel, PowerPoint, and PDF documents. Capture your ideas in Notes and even write a note on the back of a picture.

Press the S Pen button to launch Air command, for quick access to handy tools.

- **Create note**: Create customized notes.
- **View all notes**: View you customized notes.
- **Smart select**: Outline and crop anything on the screen and freely edit or share with others.
Screen write: Capture a screen and write or draw on it.

Translate: Translate text.

Add shortcut: Add or remove a shortcut.

Attach the S Pen to your device
The S Pen™ can be stored on the back of your device.
Customize Your Device
